

BEYOND PENCILS & CRAYONS

INNOVATIVE TEACHER GRANTS

★ Application Deadline is September 30 ★

Beyond Pencils and Crayons Grants ranging from \$250 to \$5,000, awarded through the Community Foundation's Wausau-Marathon County Fund, are designed to enhance and reward innovative teaching, learning, and special motivational activities in K4-12 classrooms throughout Marathon County – both private and public schools.

We are looking for **INNOVATIVE** and **CREATIVE** projects that:

- ✓ Enrich the educational experience - are educational and fun
- ✓ Motivate and inspire students and educators
- ✓ Demonstrate a sense of community
- ✓ Are cost-effective
- ✓ Fill a specific need

Funding is not generally awarded for items the committee feels should be provided for within the school district's budget including core curriculum items, technology upgrades, or staff. The committee also tends not to fund after-school programs, reward or incentive programs, or refreshments. Materials and equipment associated with grant funding become the property of the school.
